

# Aspirin.1

Heart Disease	Placebo	Aspirin
	Yes	Aspirin
No		

Treatment

The diagram shows a 2x2 contingency table. The columns are labeled 'Placebo' and 'Aspirin' under the heading 'Treatment'. The rows are labeled 'Yes' and 'No' under the heading 'Heart Disease'. The 'Yes' row for the 'Placebo' group has a red top border, while the 'Yes' row for the 'Aspirin' group has a black top border. All other cells are yellow with black borders.
