

Aspirin.1

Heart Disease	Placebo	Aspirin
	Yes	Aspirin
No		

Treatment

The image shows a 2x2 contingency table for the Aspirin.1 study. The rows are labeled 'Heart Disease' with categories 'Yes' and 'No'. The columns are labeled 'Treatment' with categories 'Placebo' and 'Aspirin'. The 'Yes' row for 'Placebo' has a red header and a yellow cell. The 'Yes' row for 'Aspirin' has a black header and a yellow cell. The 'No' row for both treatments has yellow cells. The word 'Treatment' is centered below the columns.
